notification

Addendum

The following communication, received on 29 August 2006, is being circulated at the request of the People's Republic of China.

Wood packaging material

The modification by the IPPC in April 2006 of the technical requirements for methyl bromide treatment stipulated in ISPM No.15 *Guidelines For Regulating Wood Packing Material In International Trade* has been adopted as Announcement No.105, 2006 of the General Administration of Quality Supervision, Inspection and Quarantine of the People's Republic of China (AQSIQ), in which the technical requirements for methyl bromide treatment of imported wood packaging materials has been modified accordingly.
